 2.46 ACRES

A rare opportunity inside the perimeter just minutes from Buckhead, and close to Northside Hospital! Build your dream home on this rolling 2.46 acre heavily wooded estate lot. This unique home site offers size, privacy, natural beauty and convenience to 400; has multiple building sites large enough for a long panoramic entry drive, guest house, pool, sports court or any other amenity you desire; very spacious, surrounded by other large contiguous wooded areas on developed properties. Bring your contractor or let us introduce you to some of Atlanta's finest artisan homebuilders.
